

Course Title: *Civics 101*

Course Description

Ever wonder why the city is structured the way it is with a Commission-Mayor form of government and how GRU fits into the political arena? This course will help you understand our form of government and how general government and GRU interact to keep the political/business balance.

Goal

To educate you on the business and political in's and out's that describe the relationship between GRU and General Government and to illustrate how the two entities work for a combined goal.

Learning Objectives:

- Understand the political make-up of the City
- Gain insight into the relationship between GG & GRU
- Understand relationships between GRU, Mayor/Commissioners, and Charter Officers
- Understand the similarities between the City and County
- Know the rules we operate under
- Ethics in Government

Open to: All Employees

Competencies Addressed: Organizational Knowledge; Ethics

Length of Class: 3 Hours
